

## Dr. Srinivas JV

MBBS (gold medalist), MS Ortho (A.I.I.M.S)  
Lead Senior Consultant & Joint Replacement Surgeon  
Department of Orthopaedics

Dr. Srinivas JV is a Lead Senior Consultant & Joint Replacement Surgeon at Aster RV. He comes with over 17 years of extensive surgical experience, operating over 7000 surgeries (3,000 Joint Replacement Surgeries). He is an excellent surgeon and a good teacher. He has trained many young surgeons to become skilled joint replacement surgeons. He has delivered multiple lectures in national and international conferences.

He graduated from Bangalore Medical College in 1997 and is a recipient of gold medal from Bangalore University for excelling in the field of surgery. He did his master's in Orthopaedic Surgery from All India Institute of Medical Science (AIIMS), New Delhi (2001). He further visited Charite Hospital, Berlin, Germany (2002) for Basic Joint Replacement Surgery. He also went to France (2003) and Australia (2005) for Minimally Invasive & Computer Assisted Joint Replacement Surgery. He revisited Germany again in 2008 to augment his skills in Hip Resurfacing procedures.

### Professional Experience:

Dr. Srinivas joined Pondicherry Institute of Medical Sciences, Pondicherry (2002) where he performed over 600 surgeries. He continues to be a visiting faculty there. In December 2006, he joined as a Senior Consultant in Wockhardt's Hospital (now Fortis Healthcare). He became the Director (Department of Orthopaedics) and led the department to become one of the largest Joint Replacement Surgery centers in Karnataka. There, he successfully performed over 6500 surgeries such as Joint Replacement Surgeries, Revision Joint Replacements, Complex Joint Trauma, Arthroscopic Procedures, Spine Surgery, and Custom-Fit Joint Replacement procedures. He has delivered lectures in multiple Indian medical association meetings and joint replacement conferences both nationally and internationally. He has performed multiple live surgeries in joint replacement meetings.

### Expertise:

His has gained expertise in Primary, Complex & Revision Joint replacement Surgeries of Hip and Knee, and Primary Shoulder & Elbow Replacement. His special interest is in large diameter Ceramic-On-Ceramic Primary Hip Replacement.
